KUWAIT FAMILY MEDICINE RESIDENCY PROGRAM

VISION:

The vision of the Family Medicine Residency Program in Kuwait is to be a premier training program in the region which ensures the provision of highly qualified family physicians who can deliver an exemplary standard comprehensive primary health service and meet the increasing demand of the community.

MISSION:

The mission of the residency program is to provide an extensive and innovative high standard training for the family medicine residents. This is achieved by advocating evidence-based practice and promoting research and scholarly activities. We incorporate our core values of health care equity, teamwork, patient-centered care, and compassion in our clinical practice and education. Our program adopts a learner-centered approach encouraging self-reliance and professional growth. In addition, the program works to prepare family physicians as leaders who are equipped to deal with the growing challenges in the community.

HOW IT ALL BEGAN..

THE KUWAIT FAMILY MEDICINE RESIDENCY PROGRAM WAS ESTABLISHED IN 1983, BY THE KUWAIT INSTITUTE FOR MEDICAL SPECILIZATIONS (KIMS) IN AFFLIATION WITH THE ROYAL COLLEGE OF GENERAL PRACTIICIONERS (RCGP).
IT STARTED AS A THREE YEARS PROGRAM, THEN IT WAS CHANGED TO A YEARS PROGRAM IN 2001. IN 2010 IT WAS CHANGED AGAIN TO BECOME A 5 YEARS RESIDENCY PROGRAM .
INTERNATIONAL ACCREDITION (MRCGP) FOR THE EXAM WAS AWARDED IN 2005 .

IN 2021, THE FIRST AGREEMENT WITH THE RCGP WAS SIGNED FOR 3 YEARS OF ACCREDITATION FOR THE TRAINING OF KFMRP.
THIS YEAR (2023) IT WILL BE ACCREDITED.

A Word from DR. ALDhubaiB

Congratulations to you all!

Your perseverance and achievement through this extremely difficult period is a testament of your hard work and dedication.

I am so proud of you all for making your way successfully through this journey with us. I hope that you keep in contact with us, so we can continue to celebrate your achievements as alumni of the Kuwait Family Medicine Residency Program. You are all an inspiration to us!

CHAIRWOMAN OF FACULTY OF PRIMARY HEALTHCARE

DR. ANWAR BUHAMRA

It is a privilege to serve a program built on dedication, excellence, and a shared commitment to advancing primary healthcare in Kuwait. The pages of this yearbook tell a story of challenges overcome, achievements celebrated, graduates we are proud of, and dedicated trainers whose unwavering commitment continues to inspire and develop generations of family physicians. More than a collection of memories, this yearbook reflects the spirit, resilience, and shared purpose that continue to define our program. As our graduates embark on the next chapter of their journey, may they carry forward the values of excellence, compassion, professionalism, and lifelong learning, becoming family physicians and future leaders who shape the future of primary healthcare in Kuwait and serve their communities with integrity.

My sincere appreciation goes to every trainer, mentor, and faculty member whose dedication continues to strengthen our program and inspire the next generation of family physicians.

May this yearbook stand as a celebration of our shared achievements and a reminder that the future of Family Medicine in Kuwait is shaped by the commitment, excellence, and compassion of its people.

EX-CHAIRWOMAN OF FACULTY OF PRIMARY HEALTHCARE

DR. SAMIAH ALMUSALLAM

It's a source of great pride to me to be part of this prestigious educational institution. To be part of developing the vision and to see the Program Flourishtes and expands to become the biggest among KIMS Programs and to celebrate graduating more than 500 family medicine specialists is heartwarming.

This program deserves to be a source of inspiration for all those who inpire leadership and excellence not only in Family medicine but also of the Kuwait health system in general, as the sky is the limit.....

The 6th Kuwait Primary HealthCare Conference

The Central Directorate of Primary Health Care was honored to host the 6th Kuwait Primary Health Care Conference, held from December 4th to December 6th, 2024, at the Grand Hyatt Hotel. Conducted under the patronage of His Excellency Dr. Ahmed Al-Awadhi, Minister of Health, the conference convened leading professionals to advance discussion on critical issues in primary health care, recent medical innovations, and the evolving role of artificial intelligence, while reaffirming the essential contributions of primary care physicians. Guided by the conference theme,

"A Comprehensive Team Approach for Integrated Care," the event emphasized multidisciplinary collaboration as a foundation for delivering high-quality, patient-centered primary care. Attendees participated in a comprehensive scientific program featuring expert-led lectures, interactive workshops, and panel discussions with distinguished speakers from Kuwait and abroad. The conference also included a scientific poster competition, with submissions evaluated by a specialized committee through both in-person and virtual review, and awards presented to the highest-ranking posters.

SPORTS

The First Family Medicine Walkathon

We believe that physical excercise can give a sense of calm, peace and balance that can enhance both the mental and the physical wellbeing of our residents.

It can also help all healthcare workers to relax and cope with stress.

Therefore, Kuwait Family Medicine Residency programme has developed sport events for our health care workers to work out, compete and socilaize with their colleagues.

This was the first family medicine walkathon held on Februray 15th, 2020.

SPORTS

"exercise not only changes your body . it changes your mind attitude and mood ."

The Family Medicine 5K race

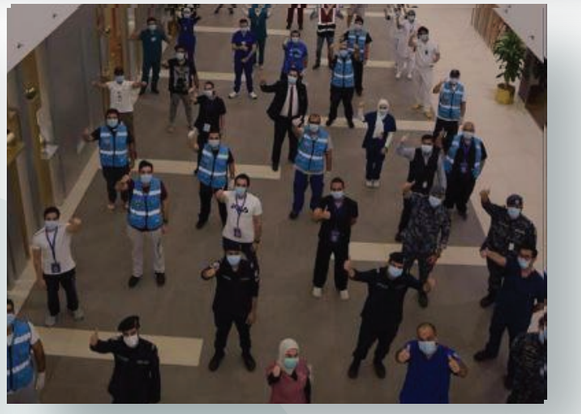

The family medicine 5k race was the largest sporting event for health care workers and students in Kuwait. It was held on November 2022. Organized by Kuwait Family medicine residency programme in collaboration with Kuwait Association of Family medicine and General Practiotioners.

SPORTS

"take care of your body its the only place you have to live ."

THE COVID - 2019 PANDEMIC

Family medicine graudates and residents played a huge role during the pandemic.
In addition to being the first line in the primary care clinics, our doctors also participated in screening citizens coming from abroad, and worked at several quarentine centers.
They also served at the vaccination centres all over Kuwait.

Medicine Residency Program

KUWAIT FAMILY MEDICINE REVIEW COURSE

A REVIOSION COURSE THAT WAS ESTABLISHED BY THREE RESIDENTS, DR.SARA ALHAMMOURI, DR. SARA ALABDULHADI, AND DR. LULUA AL ASOUSI BACK IN 2016.
IT IS DIRECTED TO THE KUWAIT FAMILY MEDICINE BOARD RESIDENTS, TO HELP THEM IN KEEPING THEIR KNOWLADGE UPTO DATE.
IT COVERS ALL THE GUILDLINES, AND INCLUDES SIMMULATIONS TO MEASURE THE RESIDENTS PERFORMANCES.

THOSE WHO ARE NO LONGER WITH US,
BUT THEIR LEGACIES LIVE ON THROUGH
THE LIVES THEY HAVE TOUCHED AND
THE MEMORIES THEY HAVE LEFT
BEHIND.
THEIR CONTRIBUTIONS HAVE HELPED
SHAPE THE PROGRAM.
